Hello

we have not heard that Scott Tipton is also coming? Any verification on that?

Plus is Gina McCarty going to be in Durango today? Is there a schedule/location? We might try to send down an elected official for that.

Please let me know

thanks

All,

I heard from Melissa that Martin Hestmark will be attending the meeting. She is coordinating with the Region 8 Governmental Liaison in arranging this meeting and, I assumed, with San Juan County as well. I think she will need to do the report out to the group.

In case communications have not been clear, we understand that Sen. Cory Gardner plans to attend the meeting, and a representative from Representative Tipton's office may also be in attendance.

Can we also get briefed on all currently scheduled public meetings in the morning?

Cynthia,

I am trying to close the loop on what is planned for tomorrow's County Commissioners meeting. Jim Donovan with whom you spoke earlier today needs to be kept informed as to who will be attending and the general agenda. This will assist him in communicating to the San Juan County community and the Commissioners as to why this will be a valuable meeting.

Thank you,
